

## **SIGNING OF MOA AS VENUE PARTNER WITH SKILLS DRILL LIMITED**

Turkana University College on 1st October, 2018 signed a Memorandum of Agreement with Skills Drill Limited as a venue partner.

Skills Drill Limited is a social enterprise organization that focuses on skilling unemployed Youths in Kenya to diversify their employment opportunities.

The ICT training will focus on digital skills in three (3) levels;

- Basic IT and Administration
- Digital Marketing & Branding
- Core Technical off the shelf skills (Developer, Basic coding)

Upon completion of the training the identified youth will proceed for internship and later on placed in jobs.

Two hundred and fifty (250) selected youths are earmarked for a two (2) months Job specific training. The program will run for a period of ten (10) years.

The Turkana University College, Principal, Prof. Akuja welcomes the move and appreciates the initiative taken by Skill Drills as the implementing partner with NITA for the KYEOP project for delivery of job specific skills training, internship and placement in the formal sector within Turkana County with a focus on ensuring placement to eligible trainees through its alliances. He also mentioned that this a noble gesture that will see the marginalized community grow.
